Sir,

Sub : Communications-Roads-South Kanara District-Taking over of roads from control of District Board.

Ref: Government Public Works Department Memo No. 34754-A/53-1 dated 28.4.53.

With reference to Government Memo cited I have to state that Kota Goliyangad Road and Brahmawar Janadi Road (and not Jandi Road as reported by Government) are Other District Roads and they were not proposed for taking over from the control of the South Kanara District Board as the policy of Government is to take over only Major District Roads and other higher categories of roads.

NOTE FOR SUPPLEMENTARIES

The member wants to know whether there is any proposal before the Government for taking up the following roads from the South Kanara District Board to Highways Department in view of the importance of the roads:

1. Kota-Goliyangad Road)
2. Brahmwar-Jannadi Road) in Udipi Taluk

The policy of the Government in regard to the maintenance of roads in the State is that Highways and Major District Roads (Group I Roads) including Municipal portions of such roads should be maintained by the Government and that the Other District Roads and Village Roads (Group II Roads) should be maintained by the local bodies concerned. Out of 21,167 miles of Group I Roads about 15,546 miles of roads are under the control of the Government and about 5,621 miles of roads in charge of local bodies have yet to be taken over by the Government. Their taking over will depend on the financial position of the State. The proposals submitted by the Chief Engineer (Highways) for the taking over of certain sketches of important roads from the local bodies during 1952-53 and 1953-54 were deferred by the Government in view of the financial stringency. The Chief Engineer (Highways) has been asked to renew the proposals for consideration in connection with the Budget for 1954-55.

2. The two roads referred to by the member and mentioned at para 2 above are "Other District Roads" (Group II Roads). The Chief Engineer(Highways has reported that these two roads were not proposed by him to be taken over from the control of the South Kanara District Board as the policy of the Government is to take over from local bodies only

Major District Roads and other higher categories or roads, viz. State Highways.

3. The answer to the question ~~at 2 (a) or (b)~~ is therefore in the negative. ~~I.A. have also been the same~~.
